## HARDING URGES CONGRESS TO ADOPT RESOLUTION DECLARING PEACE WITH GERMANY WITHOUT FURTHER DELAY

President Sends His First Message in Which He Makes Plain That He Believes League of Nations Is Dead; Domestic Problems

WASHINGTON, April 12.—Congress should adopt a resolution declaring peace with Germany without further delay, President Harding recommended in his first message to congress today. Such action, he said, could in no sense be construed as a desertion of the allies.

He made plain his belief that the league of nations is dead. Measures to lower taxes and lower retail prices were the outstanding features of his recommendation for dealing with democratic problems.

The peace resolution, Harding explained, should undertake to do no more than declare a state of peace and must put no difficulty in the way of collection of reparations or the restoration of war-torn Europe.

Turning his back completely on the league of nations, the executive reaffirmed his allegiance to the ideal of a world association of nations.

But this problem must be deliberately considered, he said, and he promised to invite the advice of the senate when he feels it time to act.

"In the existing league of nations, world governing with its super-powers, this republic will have no part," he said. "There can be no misinterpretation and there will be no betrayal of the deliberate expression of the American people in the recent election."

"In rejecting the league covenant," he said later in his address, "we make no surrender of our hope and aim for an association to promote peace in which we would most heartily join."

Turning to the question of immediate peace, the president said that the United States alone of the allied and associated powers continues in a technical state of war.

"This anomalous condition ought not to be permitted to continue," he said. "To establish the state of technical peace without further delay, I should approve a declaratory resolution by congress which would be an assumption of a function conferred on the executive."

President Harding argued against including in the resolution any declaration of future policy toward Europe. Such a declaration coming from congress would be an assumption of a function conferred on the executive.

President Harding laid emphasis upon domestic problems.

There is no more pressing problem, he said, than to restrict national expenses to national income and at the same time to lift the burdens of war taxation. Economy is to be the "outstanding and ever-improving" purpose, he insisted.

Creation of a department of public welfare was declared for by Harding. He called for encouragement of the merchant marine, upbuilding of radio communications, co-operation with the state governments in the maintenance, as well as the building of good roads, creation of a budget system, a protective tariff, encouragement of commercial and military aviation, an adequate navy and steps to halt lynching.

A summary of President Harding's recommendations on domestic issues follows:

**Taxation**—Repeal of excess profits taxes and "abolition of inequalities and unjustifiable exasperations in the present system" with a wiping out rather than a shifting of burdens.

**Tariff**—"Instant" emergency tariff legislation to be followed by a "mature" revision of the tariff on a protective basis which will protect American wage standards, industry and agriculture.

**Budget**—Promote enactment of the budget bill and inauguration of business methods in government.

**Prices**—Existing retail prices of perishable foods cannot be justified (Continued on Page 4.)

## STATE OFFICERS AT ORGANIZATION OF P. E. O. CHAPTER

MRS. A. S. CHASE'S HOME IS  
SCENE OF CEREMONIES  
MOST IMPRESSIVE

Some time ago those in the Watch Tower discovered a nebulae that resolved itself Saturday, April 9, into a constellation of fourteen stars of the P. E. O. sisterhood, and, by those in authority, it has received its place in this galaxy of golden stars, and is now C. J., California.

After a few weeks of preliminary instruction by California's efficient state organizer, Mrs. Ollie P. Cramer of Q. Los Angeles, and working in conjunction with Glendale's chapters L. A. H. and B. A., the time for organization of this new chapter was set for April 9, which allows this "baby" chapter all the privileges of the state convention to be held at Burbank, April 13, 14 and 15.

And so, Saturday morning, at the hospitable home of Mrs. A. S. Chase, member of B. A., 400 Riverdale Drive, the spacious rooms began filling at 10 a. m. with members of the local chapters and a few honored P. E. O. sisters from nearby, and the work of organizing into the beautiful mysteries and ceremonies of P. E. O. was begun at 10:30, being called to order by Mrs. Cramer, organizer.

**Program Is Under Way**

Mrs. Catherine Ripley, A. H., was appointed pianist and the devotional exercises were conducted by Mrs. Fern Roberts of L. After declaring a formal opening of the meeting, Mrs. Kate Williams, B. A., was appointed secretary pro tem., and the actual business of the day was begun when Mrs. Eva Cunningham of B. A., chairman of the reciprocity committee of Glendale, gave a history of the "sighting" of this new constellation.

No chapter has ever been formed under more favorable and auspicious conditions, for among those witnessing and partaking in this event were the notable and honored guests, Mrs. Helen B. Townsend, supreme president of P. E. O. sisterhood, whose home is in Albion, Iowa; Mrs. Lillian M. Garrett of Pomona, California, state president; and Past State Presidents Mrs. Hulda Miller, Mrs. Ella (Continued on Page 3)

## Former Glendale Girl Is Taken By Death

Mrs. Ruby Frances Alston, wife of John Alston, who passed away Sunday at the home of her parents, Mr. and Mrs. Oliver E. Wright of 354 Burchett street, will be remembered by her many friends in Glendale as Miss Ruby Wright. Up until six months ago Mrs. Alston and husband and daughter resided in Porterville. At that time they came to Glendale and made their home with Mrs. Alston's parents. Mrs. Alston, when Miss Wright, was a member of the Robnetta Club of Glendale and had a wide circle of friends in this city. Funeral services will be held from the L. G. Scovern Undertaking company's parlors tomorrow, Wednesday, morning at 10:30 o'clock.

## Glendale High And Franklin In Game

The Glendale High school baseball team will play the Franklin High school squad this afternoon on their home grounds. As the Franklin aggregation is leading the Central league and is considered by many to be the team Glendale will have to beat, an exceptionally large crowd is expected to cheer the boys to victory. Franklin will bring a large delegation over to form a rooting section.

Coach Hayhurst has developed a much stronger nine than was expected earlier in the season, and from now on the other teams in the league will watch Glendale. The game will start at 3:30 o'clock.

## Elks Discuss Plans For Big Convention

Last night was the first regular meeting of the Glendale lodge of Elks, No. 1289, at which the newly-elected officers presided. Plans for the Elks' National Convention, to be held in Los Angeles from July 11-16, 1921, were discussed. Thursday of the convention week Glendale lodge will assist in entertaining the visitors who come to this city. The lodge will have open house at that time and will serve refreshments, furnish music for dancing, and take the guests on automobile rides.

After the business meeting, conducted by the new exalted ruler, Alfred Priest, lunch was served in the banquet room.

Friends of Mrs. Maude Salom, who passed away at her home at 316 West Park avenue, Eagle Rock, who desire to attend the funeral should make note of the fact that it will be held Friday, April 15, at 2 p. m., from the Little Church of the Flowing, with L. G. Scovern Undertaking company in charge.

NEW YORK, April 12.—Mrs. Estelle Matley, Los Angeles, was held by police here today on an assault charge. During a struggle with George Robbins last night, a revolver in her hand was discharged, wounding Lillian Walker, Long Island City. Robbins said Mrs. Matley appeared to think she had a claim on his affections. He met her in a hotel where they argued until they attracted attention. The dispute continued as they sauntered down a street. Robbins saw her draw a revolver. He grabbed it. As they struggled the weapon was discharged and the girl across the street collapsed. At a hospital, it was said Miss Walker escaped with a fractured finger.

## U. S. WINS DIPLOMATIC FIGHT WITH MEXICO'S CHIEF

WASHINGTON, April 12.—The United States has won in an important diplomatic fight with the Obregon government of Mexico, according to state department advices today. It was learned today that the department had protested to the Mexican government against steps to expropriate valuable American farming land in that country for division among Mexican peasants. Secretary of State Hughes has now been advised by American Charge D'Affaires Summerlin in Mexico City that Obregon had given assurances that no American or other foreign property would be disturbed in this proposed expropriation of land.

## SENTIMENT SEEMS TO FAVOR PASSAGE OF BOXING BILL

SACRAMENTO, April 12.—Statewide sentiment in behalf of passage of the Scott boxing bill is being registered, following action for its passage by the Sacramento post of the American Legion. The Scott bill—senate constitutional amendment No. 33, is modeled after the New York boxing law. Under the Scott bill, all boxing in the state would be under control of a state athletic commission of three members, appointed by the governor. Two of these would be American Legion members, according to the bill, presented by Senator William S. Scott of San Francisco. Bouts of fifteen rounds would be permitted. Bishop William H. Moreland of the Sacramento Episcopal diocese, is in record in favor of the bill. Others behind it and asking its passage are: American Legion of California; Mrs. Nettie E. Evans, former associate field director of military relief, American Red Cross; Superior Judge Charles O. Busick, Sacramento; Police Chief Hugh Sydenham and District Attorney Hugh Bradford, Sacramento, and Major B. M. Atkinson, commander of Mather Field.

It is stated that the wet gas is producing \$700 daily in gasoline. Four hundred acres in this proven field are in the control of the Star Syndicate, according to Mr. Kent, and a contract has been let for another well.

An eighty-acre lease has been taken on land in the new Huntington Beach oil field and development work is being pressed forward as rapidly as possible.

## Long Debate Over Canal Nearing End

WASHINGTON, D. C., April 12.—Four years of senatorial debate (off and on) over the proposal to pay the Republic of Colombia \$25,000,000 in settlement of the dispute over the Panama canal question, today drew near its end. The senate took up the proposed treaty with Colombia, under an agreement to vote after eight days' debate.

Supporters and opponents of the pact jumped into the fray today right at the start. Senator Lodge, chairman of the foreign relations committee opened the discussion with a speech favoring ratification. Lodge's speech was largely an explanation of his change. Four years ago he signed a report in which the treaty was called "international blackmail."

Senator Kellogg of Minnesota followed with a speech opposing ratification and took the position that the same reasons exist today as existed in Theodore Roosevelt's time for not acceding to Colombia's demands for payment.

## Take Final Action In Business Divorce

WASHINGTON, April 12.—Final legal steps for the divorce of the big packers from stockyards and stockyards railroads control was taken today.

Swift & Co. and Armour & Co. filed in the Supreme court of the District of Columbia plans for the disposal of their stockyards and terminal railroad interests. Such plans for the Morris, Wilson and Cudahy companies have already been approved by the court.

If the Swift and Armour plans are approved the government will have completed the packer suits which have been fought for more than a year.

## TIME OF CHILDREN AFTER SCHOOL IS TOPIC TAKEN

SPEAKER DISCUSSES DUTIES  
OF YOUNG FOLK; PLANS  
FOR COMMENCEMENT

A very interesting meeting of the Intermediate School Parent-Teacher association was held at the school building yesterday afternoon, Mrs. H. V. Brown presiding. After the flag salute, led by Miss Edith Tyler, Mrs. Brown introduced the speaker for the afternoon, Mr. DeGroot, whose topic was "After School Hours—What?" contrasted the conditions of twenty years ago with the present time. He spoke of the life of the child of that time as being much more rounded and better balanced.

After a certain number of hours of school they had a certain number of hours of work as well as play. In those days the children had chores to do, there being no telephones or automobiles, he said.

The three points brought out in Mr. DeGroot's talk were the school work and contact with older minds. The fathers of those days were usually home for the noon meal as well as in the evening. The work that the mothers did was usually done in connection with the assistance of her daughter. This contact with the parents, he said, made better men and women of the sons and daughters. In the present day and age, owing to the many new and modern conveniences and inventions, the boys and girls have no special work to do at home.

**Opposes Twelve-hour Plan**  
Some suggestions have been made advocating twelve hours of school each day and for twelve months in the year, but Mr. DeGroot stated that he doubted whether this would be feasible. He also spoke of the Y. M. C. A., Boy Scouts, Y. W. C. A. and Girl Scouts and urged the establishment of recreation centers supervised by minds that are capable of handling the situation.

Superintendent Richardson D. White then spoke of the cafeteria and told of its success. Although the school board formerly assumed the responsibility of this new venture it has lately fallen to some of the teachers. At this time the Parent-Teacher (Continued on Page 4)

## STATE OFFICERS AT ORGANIZATION OF P. E. O. CHAPTER

MRS. A. S. CHASE'S HOME IS SCENE OF CEREMONIES MOST IMPRESSIVE

(Continued from Page One) Brown, Mrs. Marion Garvin, all of Los Angeles; Mrs. Ella Hammond, president A. T., Los Angeles, and Mrs. Estella Fischer, U. Burbank.

**Supreme President Speaks** Preliminary to the ceremonies, and because she must leave before the organization could be completed, Supreme President Mrs. Townsend was presented to the meeting by Mrs. Cramer, and the words she spoke in her earnest, convincing manner inspired alike those new initiates and those older in the work, dwelling at length upon the objects and aims of this sisterhood, which, "boiled down," as she said, mean growth in character. Among other things, she told of having recently organized the first chapter in Boston with a charter list of ten, of whom all but one were "blessed with a brush from the west." Coincident with this, in this new chapter list there is one Boston woman.

The dispensation from the state president, Mrs. Garrett, for the organizing of C. J., was read, then the charter list of fourteen names, the first four being demits from other P. E. O. chapters, as follows: Mrs. Gladys Meredith Porter, Miss Clara A. Boss, Mrs. Ella S. Putman, Miss Martha J. Cox, Miss Isabel M. Kimball, Mrs. Eva Campbell Barton, Mrs. Myrtle B. Brown, Mrs. Fannie Cramp-ton, Mrs. Harriett N. Hamilton, Mrs. Elizabeth Stevens Hayward, Mrs. Zola C. Kuntzner, Mrs. Elizabeth Kent, Mrs. Annie P. Yard, Mrs. Vera K. Hinchcliffe.

**Other Talks Are Made** In her easy, gracious manner, characteristic of herself, Mrs. Lillian M. Garrett, state president, welcomed the new chapter, remarking that the material of which it was formed bespoke success and growth for itself and for the principles for which P. E. O. stands. Her remarks were followed by words of wisdom from Mrs. Hulda Miller, who organized L., Mrs. Ella Brown, organizer of A. H., and Mrs. Marion Garvin, organizer of B. A.

A few words from Mrs. Ella Hammond, president of A. T., from which chapter Mrs. Putman was demitted, told of the high esteem which C. J.'s new president was held by them. Then Mrs. Lee, president of L., Mrs. Van Eiten, president of A. H., and Mrs. Kelley, president of B. A., were called upon, and their words were rich with their estimates of the material in this new chapter, their hopes and aspirations for it, and the benefit and ultimate growth the sisterhood would receive from its new acquisition.

The reciprocity committee, Mrs. Eva Cunningham and Mrs. Fern Roberts, had expected to be excused from further speechmaking, but each showed her readiness of wit, her zeal of purpose and wealth of enthusiasm in responding to the call at this time.

**Others Are Called Upon** Looking about, another dignitary was discovered in the person of Mrs. Eleanor Toll, president of the Ebell club of Los Angeles, and beloved member of B. A., and she added to this exchange of thought in her own happy manner, testifying to her love of and regard for the principles of P. E. O.

Mrs. Goss of L., lovingly called the mother of P. E. O. in Glendale, was called upon for a few words, likewise the other members of the reciprocity committee: Mrs. Ann Bartlett, L.; Mrs. Cora Webster, A. H.; Mrs. Beryl Cross, B. A.; each in turn responding.

During the ceremonies of inauguration, Mrs. Cramer, organizer, was assisted by Mrs. Cora Webster, A. H.; Mrs. Beryl Cross, B. A.; Mrs. Lucille Eames, A. H.; Mrs. Pearl Tower, Mrs. Fern Roberts and Mrs. Ann Bartlett, all of L.

After the strenuous work of the morning, a luncheon which had been prepared by the then hostess chapters was served, and the manner in which it was received proved it was a welcome interruption. And later, when the gavel in the hand of Mrs. Cramer sounded its call to order it found all ready to take up the finishing work.

**Officers Are Elected** After reading certain parts from the P. E. O. constitution, the election of officers for the new chapter was in order, which resulted in the following being chosen:

Mrs. Ella S. Putman, president; Mrs. Lizzie S. Hayward, vice president; Miss Martha J. Cox, recording secretary; Mrs. Gladys Porter, corresponding secretary; Mrs. Fannie Crampton, treasurer; Mrs. Annie Yard, chaplain; Mrs. Elizabeth Kent, guard.

Delegates to Convention—Mrs. Putman, Miss Cox. Alternates, Mrs. Hayward, Mrs. Porter.

Again this new chapter received an especial blessing, in that these newly elected officers were installed by the highest authority of California, Mrs. Garrett, state president. Well chosen words of the new president, Mrs. Ella S. Putman,

## Notice of Consideration of Fire Districts

An ordinance fixing the fire districts is now under consideration by the Board of Trustees. A brief description of the districts as proposed and a map outlining the same may be consulted at the Chamber of Commerce office at 105 W. Broadway. The matter will be further considered by the Board of Trustees Thursday evening, the 14th instant, at 8:30.

**T. W. WATSON** City Manager.

proved her to be well qualified for the responsibility of directing the growth of the principles of the sisterhood.

**Concluding Business** Among other actions taken by this new chapter, they extended a rising vote of thanks to Mrs. Douglas Chase for the hospitality of her home for this day, which meant so much to C. J., and to Mrs. Cramer, organizer, who had endeared herself to them by her untiring efforts in their behalf, proving in each day's association with her that it was not because of her duty that she worked with such zeal, but because she loves and is a visible exponent of all for which P. E. O. stands.

Carrie Jacobs Bond's "Perfect Day" concluded the afternoon which had been so thoroughly enjoyed.

The decorating committee had made the living room and adjacent rooms of the Chase home bowers of beauty. White daisies and lilies and yellow Scotch broom were used, those colors being the ones chosen by the P. E. O.

Walls and mantles were adorned with wisteria blossoms.

## O. Henry Story Is Palace Grand Film

"Nothing that within you lies can change the plan of which you are a tiny part. Choose any road; go east, go west, or north or south and meet the thing from which you run away." That is the substance of "Roads of Destiny," one of O. Henry's masterpieces of short fiction, a screen adaptation of which comes to the Palace theatre today only. Rose Merritt, played by Pauline Frederick, finds death and disillusion wherever she turns.

The genius of O. Henry found a means to show that no matter what she did or where she went, Rose Merritt could not escape the fell clutch of Destiny. In the four episodes of the film she is four different persons—though but one and the same essentially—a croupier at a roulette wheel in an Alaskan gambling den; a courted society favorite on fashionable Long Island, and her own self, a girl who has been betrayed and deserted by her lover.

In each incarnation Destiny metes out to her the same fate, but her tragic doom clears for others the pathway to happiness and the picture ends on a note of satisfaction and calm after the three thunder claps of emotion.

Clyde Cook in "Don't Tickle," a two part comedy, provides the laughs on the program while the Palace Grand Orchestra will play "The Firefly" as the overture. It is a program that should have a decided appeal to local audiences.

**OFFERED \$100,000 FOR 3 FIGHTS** VANCOUVER, B. C., April 12.—A cable from Australia this morning said that Carpenter has been offered \$100,000 for three fights there after the Dempsey-Carpenter match.

## DIRECTORS MAKING PLANS FOR NEXT MUSIC SESSION

OPENING MEETING WILL BE HELD ON MAY 6; FINE PROGRAM OUTLINED

The board of directors of the Glendale Music club met last night at the home of the president, Mrs. Mattison B. Jones, 208 South Brand boulevard.

Those present included Mrs. Spencer Robinson, Mrs. Mattison B. Jones, Mrs. L. N. Hagood, Mrs. C. L. Marlenee, Mrs. Warren Roberts, Mrs. Frank Arnold and Miss Gertrude Champlain, director of the junior auxiliary.

The treasurer, Mrs. Roberts, reported that the club now has 185 members, two of which are honorary members, making a total of \$183 in the treasury. The next regular meeting of the Glendale Music club will be held this Friday, April 15, at 7 o'clock, in the music room at the high school. The meeting will be held at this early hour because of the Madrigal concert which is to be given in Glendale that evening. This will be a business meeting for active members, although associate members may attend if they wish.

**Open Meeting on May 6** Plans were made for the next open meeting of the club, which is to be a community program and will be given May 6 in the high school auditorium, beginning promptly at 8 o'clock.

The three federated music clubs of Glendale, the Madrigal club, Girls' Glee club of the high school, and the Tuesday afternoon Music Section, will contribute numbers to the program. There will also be other solo artists from Glendale who will take part. Members of the Music club will be entitled to bring one guest. Other guests will be charged 25 cents.

It was also decided at this time that owing to the fact that it is so near the end of the club year, the charter membership now being closed, members would be taken into the organization upon payment of the initiation fee of \$2 and would be exempt from dues for the remainder of this club year.

## Splendid Program Is Given At Gathering

A number of the officers and members of Glen Eyrle Chapter, O. E. S., responded to an invitation of Van Nuys chapter to be their guests last night at their meeting, at which Mrs. Anna Barcia, member of Van Nuys chapter and who is also District Deputy Grand Matron was the guest of honor. Those going over from Glendale were Mrs. Orma V. Naudain, Mrs. Fannie Parke, Mrs. Annatta Booth, Mrs. Alice Carvel, Miss Mildred Lyon, Mr. and Mrs. F. H. Vesper, Mr. and Mrs. H. L. Redd, Mrs. Mae Warriek and Miss Franc Kinch. Representatives from the Ocean Park, Santa Monica, Inglewood and Sawtelle chapters were also present. A splendid program was enjoyed, after which dainty refreshments were served.

## TIME OF CHILDREN AFTER SCHOOL IS TOPIC TAKEN

**SPEAKER DISCUSSES DUTIES  
OF YOUNG FOLK; PLANS  
FOR COMMENCEMENT**

(Continued From Page One)  
er Association of the Intermediate  
school voted to assume this responsi-  
bility, and appointed treasurer to au-  
dit the books with the teachers. Mr.  
White also spoke of the bond elec-  
tion, to which the Intermediate Par-  
ent-Teacher association pledged its  
support.

**Commencement Exercise**  
The matter of commencement ex-  
ercises for the eighth grade was pre-  
sented by Miss Noble, and a very liv-  
ely discussion followed. It was  
thought advisable to have the exer-  
cises some other time than on Fri-  
day night, as at that time some of  
the parents, on account of religious  
scruples, would not attend. If the  
exercises were in the afternoon the  
fathers could not come. The mem-  
bers of the association present ex-  
pressed the desire to change the time  
to Saturday night if this could pos-  
sibly be done.

A committee was appointed to  
nominate candidates for office for the  
ensuing year. This committee in-  
cludes Mesdames Ayars, Dewey and  
Miss Noble.

A committee on the constitution for  
the Parent-Teacher association was  
also appointed, consisting of Mes-  
dames Duncan, Kinsey and Meeker.  
Mrs. Brown appointed the follow-  
ing delegates to attend the district  
congress of mothers to be held at  
Walker's auditorium, Los Angeles,  
April 28 and 29, Mesdames Ander-  
son, Rigdon, Kinsey and Emil John-  
son. Alternates, Mrs. Danforth and  
Mrs. Oliver, Mrs. Heustis and Mrs.  
Cramer.

## Calls Attention To Law About Garages

T. W. Watson, city manager, calls  
attention of builders and those con-  
templating the location of public gar-  
ages, that there is a city ordinance  
which makes it unlawful for any per-  
son, firm or corporation to maintain,  
carry on, establish, enlarge or extend  
any public garage in the city of Glen-  
dale outside of the industrial districts  
without first procuring from the  
Board of City Trustees special permit  
for that purpose.

City Manager Watson states that  
the ordinance, known as No. 372, will  
be strictly enforced and he further  
says that those interested in building,  
or the proposed location of garages,  
should inquire thoroughly into the  
provisions of the measure.

## Steals \$30 Watch, Gets Twenty Years

SIoux CITY, Iowa — George  
Gwyck, 34 years old, was sentenced  
to twenty years in the penitentiary  
at Fort Madison, Iowa, for stealing a  
silver watch valued at \$30, as the  
result of the verdict of a jury re-  
turned here. Three women were on  
the jury.

## Toot! Toot! Ga-Lang! Get Off Th' Track! It's Time To Get Up!

Here's a classified ad coming  
to The Glendale Evening News  
office which should attract mem-  
bers of the Suicide Club. It  
reads:

"FOR RENT—Sleeping room  
on car line. Save hotel bills."  
But how about the under-  
taker, or would the person sleep  
between 1:35 a. m. and 4:45  
a. m. and take chances that a  
Pacific Electric freight would  
wake him in time to get off the  
car line?

Or, maybe this room is on the  
Eagle Rock car line, which  
would permit about six hours  
sleep a night.

Which is more than we get—  
keep awake to take in classified  
ads until 9:30 every night.  
Up and at it again every  
morning at 6:30.

Bring on the classified ads.  
They pay both of us.

## Harding Sends First Message To Congress

(Continued From Page 1.)  
in view of the decline in raw food-  
stuffs. A congressional investigation  
is suggested.

**Railroads**—A congressional in-  
vestigation is proposed. He declared  
for reduction of rates and operating costs  
and for co-operation of wage earners  
and the management in giving maxi-  
mum service.

**Highways**—Federal aid must be  
extended only under strict conditions  
as to maintenance and repair by  
states.

**Merchant Marine**—Government en-  
couragement, but not operation of  
shipping, revision of the merchant  
marine law if found inadequate and  
co-ordination of inland and ocean  
water carriers.

**Communication**—Government en-  
couragement to American owned and  
operated cable and radio service and  
prohibition of private monopolies. He  
also declared for lower rates on press  
matter.

**Aviation**—Federal regulation of  
aviation, creation of the bureau of  
aeronautics in the navy department  
and continuation of the air mail ser-  
vice are advocated.

**Soldier Relief**—Approval of recom-  
mendations for combining all soldier  
relief agencies under one director  
general. Immediate extension and  
utilization of government hospital fa-  
cilities for relief of wounded service  
men.

He also declared for a policy  
of "generous gratitude" which  
should strengthen rather than weaken  
the moral fiber of the beneficiaries.

**Department of Public Welfare**—  
Creation of a department of public  
welfare to promote social justice and  
the welfare of the citizenry in the  
realms of industry, child welfare, re-  
creation and elimination of social  
vice. The maternity bill is endorsed.

**Lynching**—Legislation urged to  
wipe out the "stain of barbaric  
lynching."

**Disarmament and National De-  
fense**—America is ready to co-operate  
with other nations for approximate  
disarmament, but prudence forbids  
that we disarm alone and agencies for  
defense will not be discarded until  
the need for defense is removed. Rea-  
sonable limitation of personnel and  
administrative economies are urged  
for the navy and for the army a fur-  
ther reduction of enlisted strength  
when compatible with national secu-  
rity to be accompanied by introduction  
of volunteer military training to be  
developed as a reserve force.

## DEMAND PURE WATER You are safe with a DUPLEX Percolator and Water Cooler

### Report from a Laboratory

"The removal of 100% bac-  
teria from water containing as  
great a number as 32,000 per  
cubic centimeter proves your  
Percolator to be an extremely  
efficient water purifier, well  
meriting the name 'germ-  
proof.'"

The Griffin-Hersey  
Laboratories.

### Report from a Hospital

"After a thorough analysis of  
the Percolator we find the ex-  
cessive mineral elements great-  
ly reduced, and all the foreign  
matter retarded. We recom-  
mend this type of purification  
in preference to any bottled  
water on the market."

St. Catherine Hospital.

### Why Buy Expensive Bottled Water?

To do so is poor management and an unnecessary expense.  
Even when of original purity, it becomes stale and stagnant.  
This stagnation frequently causes the cork to "pop"—proof  
that it is unfit for use.

Distilled waters are invariably flat and insipid. A good dem-  
onstration of their life-lacking qualities is to attempt to sus-  
tain a plant or fish on that type of water.

We install the Percolator in your home or office, renovate it  
every 30 days, for which a rental charge of \$1.00 a month is made.

## New Cooking Method To Be Demonstrated

After a most careful and far-reach-  
ing investigation, recognized cooking  
authorities from the country's largest  
institutions now recommend the new  
method of cooking by steam "under  
pressure."

There are five distinct advantages  
—any food may be prepared in one-  
third the time with one-quarter the  
fuel required by the old method of  
cooking. Cheaper meats may be  
used, frequently being made as deli-  
cious and tender as the choicest cuts.  
Food cooked in this manner is more  
easily digested, because cooking by  
steam is so much more thorough—  
every particle of the food is thorough-  
ly done. Then, too, all flavors and  
juices are brought out making the  
food taste better. There are never  
any cooking odors when a steam  
pressure cooker is used. Neither  
will the food scorch or burn.

The J. A. Newton Electric com-  
pany, always alert to secure any device  
that will lessen the work of the  
housewife and reduce living costs, is  
now displaying the National Steam  
Pressure Cooker, the best one of its  
kind manufactured—they are anx-  
ious to show this necessary utensil to  
every housewife. It will pay to make  
a special trip down town and see  
what great savings are possible with  
a steam pressure cooker.

Mrs. Gable, who has been demon-  
strating this latest household neces-  
sity in such stores as Barker Bros.,  
and Robinson's, in Los Angeles, has  
been secured by the J. A. Newton  
Electric company to actually cook in  
their store Thursday, Friday and Sat-  
urday of this week.

## Committee Chosen For Garden Party

A meeting of the committee, which  
is devising ways and means of fur-  
nishing the kitchen at the Monte  
Vista Lodge, which is to be a vaca-  
tion home for undernourished chil-  
dren, met last night at the home of  
the chairman, Mrs. R. W. Meeker,  
1320 East Colorado street. At this  
time it was decided that to assist in  
this cause a May garden party will  
be given May 7 on the grounds of the  
home of Mrs. Charles Shattuck, Riv-  
erdale and Central avenue, who has  
donated the use of the same for this  
occasion. There will be a splendid  
program provided, as well as ice  
cream, punch, home made candies,  
etc.

The committee appointed to be  
in charge of this affair is as follows:  
Mrs. Meeker, chairman; Mrs. O. H.  
Belew, Mrs. E. W. Kinney, Mrs. G. B.  
Stearns, Mrs. C. F. Parker, Mrs. Turn-  
er, Mrs. Lillian Dow, Mrs. Mosier,  
Mrs. H. L. Clotworthy, Mrs. Opal  
Greenwalt, Miss Campbell, Mrs.  
Mabel Ocker, Mrs. J. G. Huntley,  
Mrs. P. E. Cory, Mrs. A. H. Mont-  
gomery, Mrs. R. E. Chase, Mrs. John  
Farnet, Mrs. L. W. Sinclair, Mrs.  
Coffin Cable, Mrs. Ella Richardson,  
Miss Gibbs, Mrs. Calkins, Miss  
Corinne Orr.

The committee appointed to have  
charge of the program consists of  
Mrs. Montgomery, Mrs. Kinney, Mrs.  
Belew and Mrs. Chase. The ice  
cream committee: Mrs. Huntley,  
Mrs. Clotworthy and Mrs. Cory. The  
punch committee: Mrs. Cable, Mrs.  
Stearns and Mrs. Turner. The ticket  
committee: Mrs. Greenwalt, Mrs.  
Richardson and Mrs. Farnet. The  
publicity committee: Mrs. Calkins,  
Miss Sinclair, Miss Gibbs and Miss

**SQUEAKING SHOES GOOD OMEN**  
Theatrical people have many su-  
perstitions and they cling to the  
profession closely, one being if an  
actor's shoes squeak, ever so little,  
as he makes the first entrance, he is  
assured of a welcome from the au-  
dience.

## WORLD TRAVELER TO VISIT SOUTH; MAY LOCATE IN CITY

COUSIN OF D. N. WEMYSS OF  
GLENDALE, EDITOR AND  
OFFICIAL, EN ROUTE

Arthur Cotter, for many years en-  
gaged as an editor and correspond-  
ent for Reuters, Ltd., the great con-  
tinental news agency and telegraph  
company, will visit his cousin, At-  
torney D. Newton Wemyss of 924 East  
Windsor road. Until recently Mr.  
Cotter has been in the British consu-  
lar service and has traveled through-  
out Europe and made a special study  
of Finland. It is stated that he prob-  
ably knows that country better than  
many of the native Finns.

In addition to his consular service  
and editorial work, Mr. Cotter was a  
professor of English language and  
literature at the Imperial University,  
Peking, a position which the Chinese  
pressed upon him.

**Familiar With Languages**  
He reads, writes or fluently  
speaks French, German, Russian,  
Swedish, Finnish, Estonian, Span-  
ish, Italian and some of the Slavonic  
languages as well as colloquial Chi-  
nese and Japanese.

Mr. Cotter is considering locating  
in the United States and Mr. Wemyss  
expects him to arrive within the  
course of a week. Undoubtedly he  
will do as the majority of other vis-  
itors, that is: Fall in love with Glen-  
dale. He sailed from England on  
March 31 on the S. S. Saxonia and  
comes by the way of New York, ac-  
cording to Mr. Wemyss, who has  
furnished these interesting facts  
about the noted visitor.

### Five Years In Arctic, Is Topic Of Lecture

Vilhjalmur Stefansson, the noted  
Arctic explorer who is to lecture in  
Glendale on the second evening of  
chautauqua here May 11-17, upset all  
the old theories of the Arctic during  
his five years spent in the polar cir-  
cles ending in 1918. Instead of carry-  
ing large supplies of food, he  
learned to live off the land on native  
animals and fish. Instead of carry-  
ing fuel, he burned seal blubber. In-  
stead of taking a regiment of dogs  
and a long sledge train, he and his  
party traveled with six dogs and one  
sledge and he brought the dogs back  
"fat as pigs," according to his own  
description.

Instead of being covered with snow  
Mr. Stefansson found the Arctic hills  
covered with fertile grass and capable  
of affording pasturage to enormous  
herds of reindeer, the meat of the  
future, according to Mr. Stefansson.  
In his great illustrated lecture, "My  
Five Years in the Arctic," Mr. Ste-  
fansson describes life in the northern  
regions in a wealth of detail as to  
travel, food, seal hunting, bear hunt-  
ing, clothing, difficulty of progress  
and many other features.

Mr. Stefansson's first experience in  
living off the country was occasioned  
by necessity, owing to the destruction  
of his ship, Karluk, which carried  
most of his provisions. He believed,  
however, that he could live off the  
land and this he and his party pro-  
ceeded to do. He studied the Eskimo  
and learned to live exactly as the Es-  
kimos lived. He learned to hunt as  
the Eskimo hunts and he learned to  
build ice houses as the eskimo builds  
them. In this way he was able to  
undergo the hardships of the north  
and made life and travel in the Ar-  
ctic circle comparatively simple.

### Dramatic Production At Glendale Theatre

His trust and confidence violated  
by his dearest friend who financially  
ruined his father and stole the love  
of his wife, caused the love of God-  
fearing and upright Felix O'Day to  
turn to hate and revenge until the  
sparks of love and romance again en-  
tered his life. This is the theme of  
the dramatic offering today at the  
Glendale theatre, where H. B. War-  
ner, in the Jesse D. Hampton-Pathe  
production, "Felix O'Day," is being  
shown for two consecutive days.

A quest such as followed by Felix  
O'Day is one that should have a wide  
spread appeal. It brings the reality  
of life itself direct to our own doors.  
It lends color to the old adage that  
"Life is what we make it." In the  
case of Felix O'Day, however, the ef-  
fect of his friends and other people  
had a greater result upon his life. It  
changed him from an idealist to that  
of a man bent on the desire for re-  
venge.

But fate entered his life in the  
form of romance, and trust and con-  
fidence in all mankind returned  
bringing him complete happiness.  
"Running Wild," a Rolin comedy,  
a Pathe Review and Globe Trot  
Scene combine to make the two-day  
bill one of the most delightful ever  
offered.

### TEN MILLION DOLLAR PROJECT

A ten million dollar project carried  
out by organization of 157,550 acres  
of the Santa Clara valley into an ir-  
rigation district with six divisions is  
recommended by engineers of the  
Santa Clara county water conserva-  
tion committee in complete reports  
filed recently.

### Pleasantly Surprised

Miss Cora Hickman and her sister,  
Miss Adelaide Imier, of 336 West  
Park avenue, were pleasantly sur-  
prised yesterday when their cousin,  
Charles Hickman, and his wife,  
"dropped in" from their home in  
Oakland. Mr. and Mrs. Hickman  
left the trans-bay city Sunday and  
are en route to San Diego, where Mr.  
Hickman will attend the state con-  
vention of wholesale fuel dealers of  
California. The delegates will open  
the convention Wednesday morning  
and the festivities will last until Sat-  
urday evening. The Hickmans are  
making the trip via automobile.

### Dinner Party Hostess

Miss Doris Bagshaw, of 336 West  
Park avenue, was hostess Sunday  
night at a dinner party in honor of  
her brother, E. Noel Bagshaw, and  
his friend, Vincent McKinnon. Both  
young men are residents of Victoria,  
British Columbia, and are on a short  
visit in Los Angeles. They are for-  
mer ex-servicemen of Canada, each  
having served four years at the front.

### Buys Lot; Plans Home

L. J. Casbon, who has been living  
in Glendale for some time, has recent-  
ly purchased a lot on South Brand  
boulevard near the Southern Pacific  
tracks. He is planning on building  
a six-room bungalow on the site next  
fall.

### SHOCK FREQUENTLY GOOD

Keep fear out of your system, but  
don't be troubled at a little fright.  
Anything in the nature of a shock or  
a jolt is helpful if it doesn't come too  
late. It is the only way that three-  
quarters of the inhabitants of this  
earth can ever be made to realize the  
necessity of doing what is in them to  
do.

### BLAST TEARS AWAY MOUNTAIN

In the presence of several thousand  
people from Fresno and nearby towns  
a local rock and gravel company re-  
cently tore away a young mountain  
at Peidra with one giant blast of pow-  
der. About forty-five tons of gun-  
powder were used and the blast rep-  
resented an outlay of \$20,000.

## CITIZENS ARE GLAD SOUTH GLENDALE ARROW GOES

BUSINESS PEOPLE TELL OF  
APPRECIATION; GOOD WILL  
GENERALLY EXPRESSED

There is a general feeling of ap-  
preciation toward the Chamber of  
Commerce and the board of city  
trustees for their action in ordering  
the removal of the arrow from the  
Glendale sign over the San Fernando  
road at Brand boulevard, which had  
long been a source of resentment to  
some of the business men of the  
Tropico or South Glendale district.

It is believed that this action will  
result in a good feeling between the  
officials of Glendale and the resi-  
dents and business people of the so-  
thern part of Glendale, as some of  
the latter have felt that they were  
not given any consideration and were  
discriminated against by having the  
arrow pointing northward, inferring  
that that section was not Glendale.

### All to Work Together

It is expected that this difference  
of opinion will now be forgotten, and  
result in the bringing together of all  
citizens of Greater Glendale in work-  
ing for the advancement and general  
welfare of the entire community.

The residents of the Tropico dis-  
trict generally are highly gratified,  
believing that it will greatly benefit  
the business houses and aid in the  
rapid upbuilding of this section.

An expression of opinion of those  
in business on San Fernando road  
follows:

**W. E. HEALD**, watchmaker and  
jeweler at 1401 San Fernando—  
There seems to be a feeling of gen-  
eral gratification among the people  
of this section, and I believe it will  
result in the bringing together of the  
citizens of all sections into one har-  
monious organization.

**H. R. OWEN**, grocer, of 1502 San  
Fernando—We were pleased, of  
course, to see the arrow removed, as  
we think the sign "Glendale" is suf-  
ficient.

**A. A. BAKER** of the Baker Hard-  
ware Co. at 1413 San Fernando—  
We greatly appreciate the action of  
the city in having the arrow removed.  
We all feel the same way about it.

**H. E. CRANE** of the Spartan Gro-  
cery at 1414 San Fernando—It is  
fine as far as it goes, but the arrow  
at San Fernando and Broadway  
should also be taken down.

**C. J. TUTTLE** of the Tropico Feed  
Company at 1507 San Fernando—  
Yes, it suits me all right. I was  
glad to see the arrow taken down.

**C. E. HIPP** of the Old Tropico  
Bakery at 1410 San Fernando—I  
think it will be a good thing for this  
section of Glendale.

**W. E. ANDERSON** of the Tropico  
Garage and Oil Station at San Fer-  
nando and Los Feliz roads—I am  
glad to see that the sign at Brand  
boulevard has been taken down, but  
I would also like to see the one from  
upper San Fernando road removed,  
as it is misleading to traffic from  
the north.

**MRS. SATOW** of the Guarantee  
Plumbers at 1513½ San Fernando—  
It suits us all right. We feel very  
much gratified, as it means growth  
and prosperity for this section of  
Glendale.

**MRS. A. LA COM** of Laura's Cafe  
at 1519 San Fernando—I will say  
that we were very glad to have the  
arrow removed, and thank the Cham-  
ber of Commerce for the success of  
their efforts, and believe it will re-  
sult in much good and create a more  
united feeling. We are anxious to  
see the good work go on.

**MRS. C. F. BRENNAN**, dealer in  
Electrical Supplies at 1510 San Fer-  
nando—I can speak for both Mr.  
Brennan and myself when I say  
that we were both gratified to see  
the arrow removed.

**A. E. BRADSHAW**, grocer, at 1405  
San Fernando—I was pleased to see  
the arrow removed.

**GEORGE V. BLACH**, druggist, at  
San Fernando and Los Feliz—Being  
a new-comer here, it would seem  
hardly proper for me to express an  
opinion, but so far as I can learn, it  
has met with favor.

### Back After 12 Years

Mr. and Mrs. William Malcolm,  
well known to the real old settlers of  
south Glendale, have returned to this  
city after an absence of twelve years.  
The Malcolms say that although there  
are thousands of new faces here they  
are surprised to find so many who  
lived here when Glendale was hardly  
any more than a grape vineyard.

Mr. Malcolm was principal of the  
Cerritos Avenue Grammar school  
over twenty years ago when the total  
enrollment was about forty pupils.  
Mr. and Mrs. Malcolm are living on  
West Palmer avenue.

## DR. HARROWER FIXES FORTY HOUR WEEK FOR EMPLOYEES

FIVE DAYS AT FULL PAY FOR BIG LABORATORY FORCE IS ORDER NOW IN EFFECT

A forty-hour week for laboratory employees!

That is the achievement of Dr. Henry R. Harrower of Harrower's Laboratory in Glendale which employs approximately seventy people, mostly girls and women.

Due to the fact that many of them are Seventh-day Adventists, Saturday is kept as the Sabbath. Then there are others who belong to other denominations observing Sunday as their day of rest.

In order that everything would be satisfactory and work kept organized with a full personnel on duty, Dr. Harrower decided that it would be more convenient to have his employees present as a unit on the five days.

Therefore the order issued, as he left for a trip to three of the seven branches of the laboratory established throughout the United States, to the effect that:

Employees will work five days a week, at full pay, for an indefinite period.

## Conducting Inquiry Into P. E. Service

City Manager T. W. Watson has informed James M. Rhoades, secretary of the Glendale Chamber of Commerce, that the State Railroad Commission has instructed its engineering department to make an exhaustive investigation into the service and operating conditions of the Pacific Electric railway and to make a report embodying its conclusions and recommendations.

The commission desires that anyone in the community who has any complaints or suggestions shall be given an opportunity to present his views and all communications received will be considered and investigated.

The engineers handling this work may be reached at Room 674, Pacific Electric building, where their services and the data collected by them will be at the disposal of public officials.

Mr. Watson, in his letter to Mr. Rhoades, says:

"I might suggest that it would be well to refer this to the proper committee and we would be glad to cooperate with such committee in placing before the commission engineers any matter pertaining to Glendale's Pacific Electric service."

## Fire Districts Map Is Put On Display

In order that the public might further investigate the proposed fire districts as outlined by T. W. Watson, city manager, and the Board of City Trustees, a map showing the districts, also a brief description, may be inspected at the Chamber of Commerce on West Broadway.

As already told in The Evening News, the Board of Trustees has the formation of the new fire districts under consideration. A tentative plan has been completed. The districts have been drawn in colors on a map of the city that is on display at the Chamber of Commerce headquarters, in charge of James Rhoades, secretary of the organization.

The proposed districts were discussed at the meeting of the board last Tuesday night and several changes suggested. Other changes may be made as the result of suggestions received before the ordinance is finally acted upon. It is probable that the ordinance creating the new fire districts will be considered at the meeting of the trustees next Thursday night.

## Bungalows Accepted By School Trustees

Bungalow class rooms built on the Glendale Union High school campus to relieve the congestion in the three main buildings of the group have been completed and accepted by the Board of Trustees. The equipment is now being installed and it is expected that they will be occupied within the week. The cost of this improvement was \$60,000.

## Skating Party For Young Folk Enjoyed

Friday night, the newly-organized High School Department of the First Methodist Episcopal church of this city, held its first social affair. About eighty young folk met at the church early in the evening and went to the skating rink. A merry whirl on the rollers followed until late in the evening, when ice-cream cones were served. All who went declared the department's first skate to be a huge success.

If we all said what we pleased, we would not all hear what we pleased.

## Jail Loses Star Boarder

The county jail loses its star boarder today for John Lapique, who was charged with preparing false evidence in a million-dollar estate case, goes free after appearing in court for more than fifty times. He has filed thousands of pages in briefs in his own behalf, has learned more about the law than the average lawyer and cut meat for the inmates of the county institution—all while the wheels of justice ground slowly on.

## Dies Result of Fall

James Alton Harris, 16, of San Diego, is dead today as the result of a motorcycle accident near Encinitas on the Los Angeles highway. Losing control of his machine, Harris plunged over an embankment. He was on his way to the San Juan Capistrano annual motorcycle hill climb.

## Former Opera Singer Dies

Mrs. Minnie Cunningham, 64, one-time famous grand opera star, is dead today in her home at Venice. She was the wife of Charles Cunningham, Rochester, N. Y., automobile and carriage manufacturer. The body will be shipped to Rochester where five children reside.

## Matrimony and Prizefighting

Norman Selby, better known as Kid McCoy, famous for his milt-slinging and marriages, is planning to make a motion picture featuring his pugilistic career and his matrimonial experiences, he admitted today. He has weathered seven matrimonial rounds.

## Challenges Movie Industry

Bitterly arraigning Sunday movies, Dr. Herbert Booth Smith in a sermon in the Immanuel Presbyterian church in Los Angeles hurled at the entire motion picture industry a challenge which was regarded as the opening gun of a drive in Los Angeles to obtain drastic Sunday closing legislation, similar to that approved by Pomona.

## Wins Hill-Climbing Contest

Dudley Perkins of San Francisco was winner of the annual motorcycle hill-climbing contest held at San Juan Capistrano. His time for the 500-foot course with a seventy per cent grade was 16.4-5 seconds. Tie won the climb last year.

Archie Rife of Sacramento was the only other driver to go "over the top," but was disqualified because he did not keep to the course. Fin-negan Speer finished second. Ralph Sullivan was a close third.

"Dad was right. He said if I went to California I would get into trouble. I've been there three days and I'm in it," said Fred T. Whipp, Jr., 18, son of the cashier of the First National Bank of Springfield, Ill.

Fred, Jr., is in jail in Los Angeles, charged with having stolen an automobile belonging to J. B. Binford, and a watch from Mrs. A. T. Baker, at whose home he was a guest. He admitted both charges, police say.

## SEVENTEEN-POUND TROUT?

Trout vary greatly within the species, according to the nature of the waters they inhabit, the variations being manifested in their color, size, form and fin development, says the American Forestry Magazine. As to their weight, Mr. Hallock, a famous American fisherman, claims to have known of one that weighed seventeen pounds, while as a rule they do not run over three or four pounds.

## CLEVER SKIT GIVEN BY MEMBERS OF J. O. C. CLASS

CHARACTERS ARE VERY WELL SUSTAINED; PROGRAM OF MUSIC IS ENJOYED

Over 300 citizens of Glendale attended the "Milkmaids' Convention" in the social hall of the First Methodist Episcopal church of Glendale last night, and witnessed the clever skit by that name which was given by the members of the J. O. C. class. A musical program was given as a prelude to the play itself and consisted of the following:

Music by the H. V. Brown family; whistling solos by Miss Isabelle Isgrigg; piano solos by Phyllis Kuehny, and vocal solos by Warren Peterson.

The members taking part in the play were very cleverly costumed. Some of the bonnets and hats most certainly would have been termed "creations" of the millinery art of certain by-gone styles.

## Main Character Parts

The principal character parts were taken by Mrs. Belle Kuehny, who took the part of the chairmaid, Editha de Smith; Mrs. Pauline Osgood, the secretary, Lauretta Jeanette Crabtree; Mrs. Esther Leeds, the treasurer, Birdie Larkspur; and Mrs. Charlotte Goss, the page, Melinda Seraphina Biggerstaff. Besides these characters there were eighteen delegates and two reporters.

The entire convention was a farce on the regular order of business supposed to take place at a meeting of this kind.
